

STRIKERS WILL GET NEW MONEY

Gen. Hill Gives Drastic Orders to Employers Whose Men Quit Work.

Mexico City, Mex., May 25.—Gen. Benj. Hill, governor of the Federal district, has arranged a settlement of the workmen's strike by ordering the payment to all persons involved in their previous wages in the new "infalible" issue of paper currency, which is four times the value of previous issues.

In his orders covering the strike settlement Gen. Hill has specified that no employers shall be allowed to reduce their present forces of workers, or be allowed to discharge any for participation in the strike. He declared that if any establishment closes its doors inside of three months without just cause, the government reserves the right to take it over and operate it in order to give its employees work.

TEN MEXICANS ARRESTED IN THE PLAZA AS VAGRANTS

Arrested on charges of vagrancy in the San Jacinto plaza Thursday afternoon, 10 Mexicans will be arraigned before Judge Paul D. Thomas in corporation court this afternoon for trial. The arrest of the men in part of the campaign of the police as outlined by chief Johnson for the elimination of all vagrants who monopolize the benches in municipal parks. A similar raid and arrest days ago resulted in the arrest of 47 Mexican vagrants, the greater part of whom were assessed fines.

WHITE'S TALE OF CRIME AMAZES

could not sleep, could you?" "I sleep perfectly," said Waite. "You wanted to kill yourself, did you?" "Yes," replied Waite. "You fixed the embalmer. What had you to fear?" "Well, this trial." "Why didn't you kill yourself?" "I made a pretty good attempt at it," replied Waite. "You only obtained the cultures in which the germs are grown," said Mr. Gregory. "If you wanted to kill the judge, why didn't you shoot them?" "I don't know."

Never Punished for Crime.

Waite said he had never been punished in any way for any crime. "You began to believe you were above the law," said Mr. Gregory. "No, I don't know anything about it."

"Only a Sneak Thief."

"You have never been anything but a sneak thief, have you?" asked the prosecutor.

"That's it."

"You were a gambler. You told persons you played for high stakes, that you lost in the Peck case?" "No, not that much."

"You planned Peck's death to win \$250,000, didn't you?" "No, not that much."

The prisoner denied that he schemed to kill Peck as early as last February. "You and Margaret Brown were going to leave the country, weren't you? Where were you going?" "I don't know that we were going away."

Picture Not Overdrawn.

"Will you not tell the jury that you yesterday pictured yourself worse than you were?" "No," said Waite. "Isn't that your defence?" "No, I admitted my guilt."

"Haven't you been informed that if you made yourself out a madman someone in this jury would determine that you were crazy?" "No."

Waite Pleas for Leniency.

Waite denied that while in the hospital he pleaded with the district attorney to be lenient with him. He said he did not know whether he told Dr. Karpas that every time he got into trouble he "bluffed" his way out. Justice Shreve, before whom Waite is being tried, then took up the case.

MEXICAN KILLED NEAR CANUTILLO

Antonio Bermudez Shot in Dispute Over Hay; C. D. Casad Surrenders.

Antonio Bermudez, a Mexican, residing in the lower Mesilla valley, was shot and killed on the Casad ranch, four miles west of Canutillo, Texas, Thursday night. C. D. Casad, owner of the ranch, immediately after the shooting, telephoned to sheriff Felipe Lucero of Dona Ana county, in which the killing took place, that he was ready to give himself up. It is understood that sheriff Lucero went from Las Cruces to make Casad prisoner Friday morning.

Dispute Over Hay, Is Report.

Reports received at the sheriff's office in El Paso said the shooting was a result of a dispute over a quantity of hay, after which Casad is said to have ordered Bermudez off his land. Later the Mexican is reported to have attempted to climb over a fence and enter the ranch.

Deputy sheriffs J. B. Kilpatrick and H. E. Stansel and Ira Ward, upon receipt of the news of the killing, went up Doniphan road to a point near Canutillo, hearing that the shooting was to come into El Paso by automobile, but after halting several cars they returned. Information was given by the county authorities to Lieut. H. D. Lewis, in command of the provost guard down town, but that body of men did not go up.

It was reported that considerable law feeling was evident among Mexicans at Canutillo, but there was no serious developments.

Former Huertista Gives Up His Rebellion at Station of Guzman.

Jose Inez Salazar, who has been a prominent figure in Mexican revolution since 1912, on Thursday surrendered, with three men, at Guzman station, on the Mexico North Western railroad to officers designated by Gen. Gabriel Garcia, zone commander in Juarez.

Salazar and his men will be brought to Juarez on the first train from Guzman, probably Saturday. Amnesty has been granted to the former Huertista. He has been roaming westward across the state of Chihuahua, from Guadalupe, in the lower Juarez valley, to Sahinal, on the North Western, since he crossed over from the American side several weeks ago. SONORA OFFICIAL SQUABBLE CAUSES MORENO TO RESIGN

Douglas, Ariz., May 25.—Differences have arisen between Adolfo de la Huerta, the new civil governor of Sonora, and Enrique Moreno, secretary of state, passed over to him from the regime of Gen. P. Elias Calles, which, according to reports received here from Nogales, have resulted in Moreno's resignation.

The dispute, so the report has it, arose over the exportation of cattle across the border by the Camanero Cattle company, of Sonora. La Huerta gave the company permission to send out the animals on the payment to the government of \$10 gold a head, but Gen. Calles, as military commander, dispatched soldiers to prevent their exportation until a state tax of \$25 a head should be paid. La Huerta is said to have upheld Gen. Calles in this matter.

BULGER GIVEN 30 DAY REPRIEVE

Denver, Colo., May 25.—James C. Bulger, under sentence to be hanged this week for the killing of L. F. Nicodemus, was granted a 30 day reprieve today by Gov. Carlson.

The reprieve was granted because of the governor's illness which prevented him attending a meeting of the state board of pardons to hear representations in behalf of Bulger.

This is the first reprieve granted by the governor although twice previously he had his execution stayed by the state supreme court.

When the hour for today's special meeting arrived, no quorum was present on account of the governor's illness and the absence from the city of two other members. The meeting was adjourned to June 30 when petitioners in behalf of Bulger will be heard.

DISLIKE PLAN TO FEED POLAND

The Hague, Holland, May 25.—It is declared here on information from authoritative German sources that there is not the slightest chance that Germany will accept the British stipulations regarding the plan to feed the civilian population of Poland through an American commission. It is therefore not considered likely that any relief for the Polish people will be accomplished this year.

This information is unofficial, as the German cabinet has not passed on the British proposals submitted by James W. Gerard, the American ambassador.

The British stipulations were that projected relief must be applied to that portion of Poland in Austrian occupation as well as to that part occupied by Germany, and that Germany and Austria must also agree properly to care for the population of Serbia, Albania and Montenegro.

According to authorities, Carls received an anonymous letter two months ago threatening him because he testified in a certain trial, and on May 6 a similar letter was received.
